1. Peter presents us with the sobering reality of false prophets and teachers. List and describe four false teacher strategies mentioned in verses 1-3.
2. Compile a list of why, biblically speaking, a clear understanding of the gospel is so important.
3. Summarize God's command through Moses for how to deal with false prophets (Deuteronomy 13:1-5). Why do you think God takes this so seriously?
4. In verses 4-9 Peter references three stories from the Old Testament? Why?
5. Are you surprised that Abraham's nephew Lot is referred to by Peter as righteous? Why? Why not? What does Peter know that we don't?
6. According to verses 10-12 what is the destiny of some? Why? Now read John 3:16. What is the destiny of others? Why?
7. Read the book of Jude this week. (Relax, it's only one chapter.) What impact can verses 22-23 have on your life this week?
