

FOR CONVERSATION:

1. What does John 11:34-35 & 38 say about Jesus' response to the death of Lazarus?
2. Jesus obviously knew that Lazarus would be brought back to life very soon (v. 23), so why do you think He was so troubled?
3. Describe what Martha needed to have to see the glory of God (11:39-40).
4. According to John 11:41-42, did Jesus' purpose for healing Lazarus extend beyond restoring his life? Describe that purpose. (John 11:3-7, 11:11-15)
5. How was Jesus' trust in His Father's will central to healing Lazarus? (John 11:41-42) How is the importance of everyone's trust in Jesus for eternal life made plain to the witnesses?
6. What did Jesus, who is the ultimate example of unity with God the Father, give the Father (John 11:41)? Why should we, who are united with God through Christ, do the same?
7. Why should the event in John 11:43-44 supply confidence in Christ? Explain what it means to have victory over death (1 Corinthians 15:50-57).
