

FOR CONVERSATION:

1. Discuss the relevancy of Jesus' words in the Parable of the Prodigal Son to today's Christian while considering whether or not God gives us the freedom to leave His loving care for a life that seems alluring but leads to sin and suffering. (Luke 15:11-16)
2. When we've strayed from our Father, what should we do to empower our return to Him? (Luke 15:17-21)
3. From this parable, describe how God is present with unfailing faithfulness and justice. (1 John 1:9)
4. When did the prodigal son finally come to his senses and own up to his mistakes? (Luke 15:14-24)
5. When the older son had seen everything that the father did for his lost son, what was his reaction? Was this dynamic unique only to this one family, or is it a continuing condition? (Luke 15:25-30)
6. How did the father respond to his older son? Of what significance is this to us? (Luke 15:31-32)
7. Why should we celebrate when a sinner repents and returns to the Father? (Luke 15:32)
