2. Our church is a Jesus centered because the scriptures (Old Testament and New Testament) are Jesus centered. (3:11-2) Read John 5:39-40. What point was Jesus attempting to make?
3. We were all once enemies of King Jesus. According to Peter, how do these enemies attempted to divide the church? What do they believe? (3:3-7)
4. Are history and science compatible with (and maybe even complementary to) the gospel? Why? Why not? If possible, support your position.
5. How did Peter describe the grace of King Jesus? (3:8-9) If grace is good news, how are you sharing it?
6. Peter wanted his family to know the truth, and to be ready for the day of the Lord. (3:10) How might someone get ready for that day? (read Acts 2) Are you ready? Is your family ready? How about your friends?
